About

Kelda Williams, known professionally as Keldamuzik aka Diva, is an American music artist, actress, TV host, and producer. Born in Bay Area California, she is known for her hit singles "Queen For A Night" and "Thirsty" are both on her 4th studio album, Diva TV (2010). After honing her craft as a music artist, Kelda expanded her brand into different areas of the entertainment industry. From dabbling in other genres of music such as pop and dance to producing and hosting TV shows as well as producing films and pursuing an acting career; She then started running her own entertainment company. Keldamuzik just recently dropped 3 albums on May 8. They are called diva deluxe Edition, the diva experience, and the diva project, all of them available on Spotify. She was also featured in a film called the First Date which premiered at the Sundance film festival in January. She toured Tokyo, Japan to meet her fans and do a lifetime performance and her single 'I don't care was placed on Real Housewives of Atlanta.
